MUG LIST

Full Colour Printed Presentation Box with Window

Sizes available: 115 x 85 x 105mm (Window 109 x 60mm)

Full colour:
- All graphics should be supplied as high resolution CMYK files at a minimum of 300dpi
- All design components must be supplied and clearly identified. This includes Tiff, EPS and PDF files; all printer fonts used in the main file & imported graphics.
Regardless of print method:
- Allow 5mm bleed all around the design.
- Artwork to be emailed with your order number and company name in the reference line or supplied on CD with same information clearly labelled.

Full detailed guidelines including limitations & recommendations are available for each printing method on request.

QR Codes - Please note that the print process and substrates used in the production of this item may not always allow QR codes, if present on your artwork, to function correctly. When approving your proof, you are accepting that this may be the case and as such accept full liability for any malfunction of the QR code.
